

REMARKS

1. Applicant notes with appreciation the Notice of Allowance and Examiner's Amendment mailed December 28, 2010.
2. Applicant respectfully requests entry of the above amendments.

Amendments to the Claims

3. Claims 1, 2, 7-9, 13, 14, 16-28, 30, 31, 40-43, 49, 50, 89-109, and 113-115 were presented in the Examiner's Amendment and allowed in the Notice of Allowance. By the foregoing amendments, claims 27, 28, 40-42, 49, 91, 92 have been amended to correct minor informalities therein. No claims have been added or cancelled.

Examiner's Amendment

4. In the Examiner's Amendment, the words "of the protuberances" were added to claims 16, 17 and 18. However, the Examiner's Amendment did not indicate the addition of these words via underlining. To clarify the record, Applicant notes that these words were added to claims 16, 17 and 18 in the Examiner's Amendment.

5. Additionally, in the Examiner's Amendment, claims 109 and 114 were labeled "Previously Presented". To clarify the record, Applicant notes that claims 109 and 114 were amended in the Examiner's Amendment and should have been labeled "Currently Amended".

Conclusion

6. No new matter or issues are presented by the above amendments. Entry of these amendments is respectfully requested.
